

# Mrs. Morton and Miss Pantoja's Newsletter

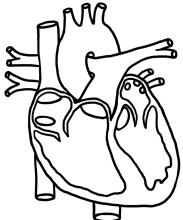

February 2013

## Science

We have recently started a new unit about body systems. Check out the following website to watch videos about each system.

[http://kidshealth.org/kid/closet/movies/  
how\\_the\\_body\\_works\\_interim.html](http://kidshealth.org/kid/closet/movies/how_the_body_works_interim.html)

Also, ask your student if they know any facts about any of the systems.

Can you guess what organ this is and what body system it belongs to?

(hint: Think Valentine's Day)

Burton Elementary, 5<sup>th</sup> grade  
2133 Buchanan Avenue Southwest  
Grand Rapids, MI 49507

**Word of the month: WISDOM**  
Wisdom shines light to true success.

Dictionary.com defines wisdom as; "the quality or state of being wise; knowledge of what is true or right coupled with just judgment as to action; sagacity, discernment, or insight."

Ways you can talk to your students about wisdom at home;

- Ask them about their study habits... are they responsible for their homework and keeping on top of their spelling words?

- Are they remembering the STAR Pledge?

★ Burton STAR Students are Studious; I am ready to learn.

★ Burton STAR Students are Thoughtful; I am kind to others.

★ Burton STAR Students are Accountable; I know my job.

★ Burton STAR Students are Respectful; I use good manners.

- Ask them what they think wisdom is... What does it mean to them? How can they show it in their lives?

WE PROMOTE S.T.A.R. STUDENTS!
